(2) Erecting sheds for 16 motors and 4 lorries, with motor pi and petrol sheds etc., complete (vide estimates 2, 8 and 9) all together amounting to Rs.1199/-

Note. The petrol shed is of zinc sheets for being fire-proof

(3) Erecting sheds for 10 palace cows and 8 palace horses. (vide estimates 3 and 5) Both together amounting to Rs 240/-

(4) Erecting sheds for Brahmin Bidadi. (est. 6) Rs. 90

Khas Bidadi. (do 7) Rs. 1053

Puja and dining for His Highness (do 10) Rs. 1430

do for Her Highness and party. (do 11) Rs. 2050

and covered passages between tents and between sheds and tents. (Est. 12) Rs. 2613

Tota; Rs. 7236

N.B.- ForKHas Bidadi flooring and roofing with Mangalore tiles have been provided. These may not be necessary but only the actual requirements will be attended to.

In addition to these sheds the estimate provides for erect. ing three sheds for the P.W.D. staff coolies and stores at a cost of Rs. 450 (vide estimate No. 4) and also a lump sum of Rs.1500 for laying out the camp (vide estimate No 13) 3rd Para. The total amount of the estimates is Rs 14930. Rs 15000 and is more or less approxi-

approximate as it is not possible to forsee what extra works will have to be done at the last hour. The rates are also more or less approximate. The actual cost can only be figured after the completion of the works. Any how these figures give a fair idea of the works proposed and the amount to be spent.

Early sanction to the estimate is requested.

Adverting to Government Order No. G.3088-98/G.A.272-17-1, dated 3rd September 1917 regarding arrangements to be made in connection with the ensuing Khedda Camp at Budipadaga, Chamarajanagar Taluk in November 1917, and in continuation of this Office Letter No. O.C. 1317-17-18/Rev. dated 18th September 1917, I have the honour to state that on looking into the connected file of papers I find that some more additions are to be made in the estimate sent up by Mr. T.Rayaloo Chetty with this Office letter referred to above. Sheds have to be put up for storing provisions as well as for the accommodation of the Amildar and other Revenue Officers and Clerks who have to be present on the occasion to supervise the arrangements at the Khedda Camps. Some sheds are also required for miltch cattle and their owners. Milk cans with lids have also to be provided with a view to ensure that milk is supplied to the camps in a pure state.

2. The Amildar of Chamarajanagar Taluk has been asked to send up an estimate for the above items of works and the same will be forwarded on receipt. In the meantime, I request orders to carry out these works.

Superintendent of Police, Mysore 5/11/17 to the Inspector General of Police in Mysore.

I have the honor to submit herewith copy of Government Proceedings No.G.3088-98/G.M.272-17-1 dated 3rd instant, with enclosures, regarding the arrangements to be made at the Khedda operations to be conducted at Budipadaga in the Chamarajnagar Taluk in November 1917, and to request to be intimated if rowties will be supplied to the Police officers and constables, ~~and~~ on special duty or if sheds are to be run up.

The Amildar of Chamarajnagar has been requested to report the number of officers and constables required for special duty, and to send up an estimate for running up sheds also. On receipt of the report fro the Taluk, a reference in detail will be made to you for sanction of funds to erect the sheds.

C O P Y

Offg. Inspector General of Police.

Letter No.194 dated 26th September 1917 from the Superintendent of Police, Mysore Dt through the Deputy Commissione to the Offg. Inspector General of Police in Mysore.

In continuation of this office letter No.170 dated 17th instant and in reply to your letter No.1787/180 dated 21st September 1917, I have the honor to forward herewith a copy of report No.164 dated 16th September 1917 with its enclosures and estimate dated 25th September 1917 from the Amildar of Chamarajnagar Taluk regarding the Police arrangements that have to be made at Budipadaga during the ensuing Kheddas. I may add that the Deputy Commissioner has sent the Government Proceedings to me with a view to make Police arrangements.

2. From the Amildar's report, a force consisting of 1 Duffedar and 14 constables are required to be posted on the road and 1 Duffedar and 6 constables to guard the camp at Budipadaga from 1st October 1917. One more Duffedar and 6 constables are required to guard the furniture and other articles in the Camp from the 15th October 1917. This force will be supplied from the District.

3. Coming next to the arrangements to be made at the Royal Camp and the Kheddas on or about the 1st of November 1917(exact date to be ascertained hereafter) a force of 3 Inspectors, 4 Jamedars and 94 constables is found necessary by the Amildar. But I think 10 more constables are required to meet unforeseen contingencies. This force will be made available from the officers and men drafted for Dasara Special duty, from the Provincial Special Reserve the French Rocks Circle and the Mysore City. Since 3 Duffedars and 26 constables are to be detailed for the Khedda Camp from the District Force, I request you will kindly order 30 more mento be sent from the Provincial Reserve or the Bangalore District or Kolar Gold Fields

follows:- 75 -30 Provincial Special Reserve men with the usual complement of officers; French Rocks 30 men.

4. If, as requested in this office reference quoted above, rowties cannot be spared at least for Inspectors and Jamedars, sheds have to be put up to afford shelter to the special duty police, owing to the inclemency of weather. The Amildar has submitted a reasonable estimate of the probable cost of putting up sheds at a total cost of Rs.300/-. This, I beg to submit, may kindly be sanctioned and the amount may kindly be advanced to begin work as early as possible. If rowties could be spared for Inspectors and Jamedars, a sum of Rs.75/- may be deducted from the estimate of Rs.300/-

5. It has frequently been urged for your kind consideration that the daily batta of annas 2 at present given to Duffedars and constables is quite insufficient to provide even one meal a day on such occasions. Their travelling allowance bills are not also prepared and passed without some delay. The Duffedars and constables are consequently put to much inconvenience and hardship. I would therefore request that a sum of Rs.250/- may kindly be placed at the disposal of the Amildar of Chamarajnagar Taluk to cover the feeding charges of the Special Duty staff.

6. To meet the travelling expenses etc of the Police officers and men to be deputed for special duty at the Kheddas an advance of Rs.250/- may kindly be placed at my disposal.

I have &c.,

Dated Mysore, the 26th September 1917.

M E M O.

Forwarded with compliments. These proposals appear to be

extra men required may be kindly issued early.

2. It is quite necessary to provide sheds or rowties as proposed.

3. A special batta of 4 annas a day in addition to the usual daily allowance may be given to all constables and Duffedars employed on this special duty. The undersigned recollects that this was done during the visits of the Viceroy and the Governor of Bombay to the Gersoppa Falls in 1913 and 1915. This is absolutely necessary. The cost will depend upon the number of days during which the Camp continues.

4. The undersigned has drawn the attention of the Superintendent of Police to arrangements for fire protection at the Camp. Some 12 buckets will have to be purchased.

5. There may ꝑꝑ also be unforeseen contingent expenditure.

6. The undersigned would request that an advance of Rs.600/- may be placed at the disposal of the District Superintendent of Police.

M Y S O R E.

Sir,

With reference to order Nos.411 and 517/3-9-1917 and 11-9-1917 I beg to submit that Budipadaga is about 7 miles from Attukalipur and the Kheddas are at a distance of 3½ miles from Budipadaga. There are no villages close by any of these places. Accommodation for the temporary location of the officers and men have to be provided in both the places.

The Camping Ground of Their Highness and Party measures 435 feet to the north, 533 feet to the East, 450 feet to the South and 405 feet to the West and the plot of ground for other staff and State officers is roughly about 2 furlongs by one furlong. Besides the motor sheds, transport Bullock sheds provision and Bazaar sheds Bidadies and drinking water have also to be carefully watched.

From about the 1st of October 1917, Tents, furniture and a lot of other necessities taken to the Camp have to be watched to avoid complaints.

The guarding of the road from Kowlande limits to Budipadaga forms the chief and most important duty of the Police. The Dacoity committed during His Highness the Yuvaraja's tour is still fresh.

Provision has also ~~to~~ to be made to feed the officers and men to be sent on special duty as there are no facilities for the same.

For these and other ~~arrangements~~ emergencies the following arrangements are found quite essential on an inspection of the places:

I. GUARDING ROAD

(a) A temporary Out-post from the 1st of October 1917 wit

One Duffedar and four men has to be opened at Bendravadi.

(b) Two additional men to be posted at Badankuppe Out-post.

(c) Two men to be stationed on the road near Mariyala.

(d) Three men on the road near Chatram

(e) Three men at "Ombhatu Hunsai" near the turn to Budipadaga.

II. GUARDING ~~THE~~ CAMP ARTICLES FROM 1ST OCTOBER 1917.

One Duffedar and six men at Budipadaga. These men must be supplemented by one Duffedar and six men on and from the 15th October 1917 and all of them may be utilized to guard the camping ground during the Khedda operation.

III GUARD DURING THE OPERATION FROM 1ST NOVEMBER 1917.

Guarding camping ground of Their Highnesses and Parties.

(a) One Inspector

(b) One Jamedar

(c) 18 men with two Duffedars and twelve men noted below.

IV GUARDING CAMPING GROUND OF THE STAFF OFFICERS AND OTHER STATE OFFICERS, MOTOR SHEDS &C

(a) One Jamedar

(b) Two Duffedars

(c) Twenty men

V GUARDING STORES, PROVISION SHEDS, BAZAAR &C.

(a) One Duffedar

(b) Eight men

VI GUARDING DRINKING WATER

(a) Four men.

VII FOR THE KHEDDAS

(a) One Inspector

(b) One Jamedar

(c) Two Duffedars

(d) Thirty men

VIII FOR RESERVE, GENERAL DUTY, OTHER EMERGENCIES DURING THE OPERATION.

(a) One Inspector

(b) One Jamedar

(c) Two Duffedars

(d) Twelve men

(e) Two cycle orderlies.

Thus it may beseen that 3 Inspectors, 4 Jamedars and 10 Duffedars and 120 men are needed to cope with the work of the special duty here.

The appended statement will show the number of officers and men required for on the dates noted against each.

Out of the three Inspectors ~~I~~ may be required to be on general duty and to the management of other emergencies. One for the Kheddas and another for the camping grounds may be arranged to be sent a couple of days prior to the commencement of the Khedda operations.

For the present, I have only two Jamedars and four Duffedars. I need not emphasize the importance of guarding the Taluk as a whole and of attending to other urgent emergencies during the Khedda operations. Under these circumstances, I cannot persuade to deem it advisable to draft officers from the Ranges and Sub stations. I can, however, manage to spare about ten men for special duty. It is therefore necessary to arrange for 4 Jamedars, 10 Duffedars and 110 men to be sent here on special duty from other Taluks and Districts. I may be permitted to submit that all the officers and men required for special duty may be selected only from Taluks and Cities instead of utilizing the services of the Special Reserve Police as separate arrangements for their control, location and feeding will have to be attended to, entailing extra ~~cost~~ work, unnecessary worry and trouble, during the most anxious period of the Khedda operations.

It is not possible for me to submit a correct estimate of costs for running up sheds required, during the short space of the time allowed. I have therefore, submitted a rough

estimate of the probable cost. This may be approved and the amount sent at once to enable me to begin work immediately. Correct estimates will in due course, be submitted and then the amount may be adjusted.

All the available contractors are used up by the D. P.W. Forest and other Departments and there is very little hope of securing any to attend to the Police requirements, I therefore find it necessary to take up the work personally and I beg that the amount noted in the estimate may kindly be advanced at an early date.

Owing to inclemency of weather, provision has also been made at a cost of Rs.25/- for six sentry sheds to be put up all round the Camping ground as it is necessary to protect and shelter the men on duty.

I do not know what arrangement have to be made to feed the officers and men to be sent on special duty, I beg that the District Superintendent of Police will be graciously pleased to visit the spot and issue necessary instructions in the matter.

I beg to remain,
sir,
Your most obedient servant,

Sd/- D. Raghothama Rao.

SUBJECT

Estimate for laying out water supply pipes in the Khedda Camp.

Letter No.1244 dated 2nd October 1917 from the Executive Engineer, Mysore Division, to the Chief Engineer of Mysore, Bangalore.

With reference to your No.10601 dated the 27th ultimo forwarding a copy of letter No.G.4244/G.M. 272-17-16 dated 26th September 1917 from the Secretary to Government, General Department, addressed to the Chief Engineer of Mysore directing to submit the estimate for the construction of a shed for Thombar Bidadi in connection with the Khedda camp at Budipadaga, I have the honour to report that the estimate for Thombar Bidadi is included in the Estimate for Brahmin Bidadi. The size of both the Bidadies is the same and while preparing the estimate for Brahmin Bidadi details were taken to two sheds of the same dimensions and therefore there is no necessity for preparing another estimate for the Thombar Bidadi. In addition to the estimate already submitted with this office No.1182 dated 18th September 1917 to the Chief Engineer, some additional sheds are very essential as noted in the margin.

After consulting with Mr. C.Venkata Rao, Special Officer deputed to Khedda camp, the size and position of these sheds are settled and the supplemental estimate for Rs965 now submitted may be included in the original estimate and sanctioned.

1. Shed for escort officers
1. do for 11 horses of escort officers
1. do for reserved police.
1. do for Infantry
1. do for extra servants, etc.
1. do for Government stores.
1. do for water boiling.

D.O.letter No.496 dated 12th September 1917 from the Huzur Secretary to His Highness, to the Chief Engineer of Mysore.

Referring to Official Memorandum No.G.3088-98/G.M.272-17-1 dated 3rd September 1917, regarding the arrangements to be made in connection with the ensuing Kheddah Camp at Budipadaga I am

directed to request you to be so good as to have arrangements made for the proper supply of drinking water to the camp.
